Global Perspectives on Counterterrorism

Amos N. Guiora, S.J. Quinney College of Law, University of Utah
With Teacher’s Manual.
Author Website: www.aspenlawschool.com/guiora_counterterrorism

Global Perspectives on Counterterrorism is a highly engaging book that offers Amos Guiora’s unique expertise and first-hand knowledge of the subject. This book examines the four central aspects of counterterrorism—law, policy, intelligence gathering, and operational decisions. Through the comparison and analysis of five different nations’ treatment of the subject—the United States, Spain, Russia, Israel and India—this book stands above the rest as a comprehensive and insightful study of counterterrorism.

Numerous features make this an important read. It offers:

- an author that brings unique expertise to the subject of counterterrorism, with first-hand knowledge of the legal, policy, operations, and intelligence aspects of the subject
- a style and format that is highly engaging and reader-friendly
- an inter-disciplinary approach to the study of counterterrorism—covering law, policy, intelligence gathering, and operational decisions
- an extensive and balanced comparative analysis of five different nations’ counterterrorism efforts not offered by any other book on the topic
- a practical approach to understanding a wide variety of issues pertinent to counterterrorism, including interrogations, the proper forum for trying terrorists, judicial review, international law, intelligence gathering, and policy responses to terrorism
- a variety of materials, including case law, policy documents, operational decisions, and engaging case studies from five different countries
- Issues to Consider sections throughout each chapter predicated on real dilemmas and scenarios
- As a teaching tool:
  - the book is appropriate for undergraduate, graduate, and law students alike
  - includes suggested simulation exercises in which the students role play as decision-makers
  - includes a Teacher’s Manual with detailed, recommended discussion guides
