NEW GLOBAL PERSPECTIVES ON COUNTERTERRORISM PROVIDES EXPERT, TIMELY INSIGHT FROM LEADING AUTHORITY AMOS GUIORA

Analyst, Author Available for Comment

(NEW YORK, N.Y., February 4, 2008) – *Global Perspectives on Counterterrorism* by Amos Guiora is an authoritative new legal resource from Aspen Publishers that provides comprehensive and insightful study of counterterrorism by examining four central aspects of this area — law, policy, intelligence gathering and operational decisions. Aspen Publishers is part of the Wolters Kluwer Law & Business group.

Offering Guiora’s unique expertise and first-hand knowledge, *Global Perspectives on Counterterrorism* provides a comparative analysis of five nations’ treatment of the subject — the United States, Spain, Russia, Israel and India. The book provides an inter-disciplinary understanding of counterterrorism, taking a thoughtful and practical approach to a wide variety of issues including interrogations, the proper forum for trying terrorists, judicial review, international law, intelligence gathering and policy responses to terrorism.

“This is an important book at an important time,” said Publisher Carol McGeehan. “With *Global Perspectives on Counterterrorism*, Guiora navigates this highly complex and important area of law based on his personal insight and first-hand experience.”

Guiora will testify before Congress at a House Homeland Security Committee hearing on budget and accountability on homeland security and terrorism in March.

About the Author

Amos N. Guiora is Professor of Law at The S. J. Quinney College of Law, University of Utah and teaches Criminal Law, Global Perspectives on Counterterrorism, Religion and Terrorism and National Security Law. Guiora writes and lectures extensively on the issues of Legal Aspects of Counterterrorism; Global Perspectives of Counterterrorism; Terror Financing; International Law and Morality in Armed Conflict; and more.

In addition to *Global Perspectives on Counterterrorism*, Guiora has authored or contributed to more than a dozen books on counterterrorism-related topics, lectures frequently on these topics and has been quoted extensively by national and international business and news media worldwide.

--MORE--

Prior to joining the S. J. Quinney College of Law, Guiora was Professor of Law and Founding Director of the Institute for Global Security Law and Policy at Case Law School. Prior to that, Guiora served for 19 years in the Israel Defense Forces Judge Advocate General’s Corps (Lt. Col. Ret.), where he held a number of senior command positions, including Commander of the IDF School of Military Law, Judge Advocate for the Navy and Home Front Command and the Legal Advisor to the Gaza Strip. Guiora graduated from Kenyon College and Case Western Reserve University School of Law.
