

State Gasoline Tax Rates as of July 1, 2011, and July 1, 2010

The figures for each state are, left to right, (1) the 2011 basic state gasoline tax rate per gallon, exclusive of sales tax, local taxes, various environmental taxes and fees, and license and inspection fees; and (2) the 2010 basic state gasoline tax rate per gallon, exclusive of sales tax, local taxes, various environmental taxes and fees, and license and inspection fees. Local taxes may apply in certain jurisdictions, but are not reflected.
